

RGLG Pty Ltd Mission Statement and Core Values

Mission Statement

RGLG Pty Ltd provides best in class resources for Shutdowns, ensuring that safety is our top priority.

Core Values

1. Safety

RGLG Pty Ltd takes responsibility for our own safety and those around us. We recognise and correct potential hazards. We follow protocols and procedures. We speak up and stop work if safety is compromised.

2. Integrity

RGLG Pty Ltd conducts our business in accordance with the highest standards of professional behaviour and ethics. We are transparent, honest and ethical in all our interactions with employees, clients, consumers, vendors and public.

3. Honesty

RGLG Pty Ltd keeps our promises and takes responsibility for our actions. We instil confidence in our employees, customers and stakeholders. We are clear in all communications so that we generate assurance.

4. Sustainability

RGLG Pty Ltd strives to reduce the impact that our internal operations have on the environment through sustainable practices and source reduction initiatives. In addition, we will seek to provide our customers with solutions designed to help produce outcomes that are inherently more sustainable.
